“You can leverage the MBTI tool in so many ways, from building teams—leadership, interpersonal, coaching, and communication—to change management.”

SARIN KALOUSTIAN
SR. HR MANAGER

Why did you want to get certified to use the MBTI assessment?

One of my clients recommended that we utilize the MBTI tool in one of their teams.

What was the most interesting thing you learned during the four-day certification program?

There were so many things I don't think I could pick just one. You can leverage the MBTI tool in so many ways, from building teams—leadership, interpersonal, coaching, and communication—to change management. I work for an organization that's always going through a lot of change, and there's a great change management component to the MBTI assessment that I'll be able to use.

Would you recommend the MBTI® Certification Program to a colleague?

Yes. Not only did certification help me in my professional life and being able to apply that at work, but I also gained personal self-awareness through the program that is really insightful and valuable.

Be better at what you do

By successfully completing the MBTI® Certification Program, you'll enrich yourself and discover new ways to help your clients and improve your practice. At this highly interactive, comprehensive four-day workshop, you'll:
